This Petition is hereby **dismissed**.

This is **not** final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to timely and properly reply to the Notice Regarding Drawings ("Notice"), mailed March 2, 2006. The Notice set a non-extendable two (2) month period for reply. No reply having been received, the application became abandoned on May 8, 2006. A Notice of Abandonment was mailed June 21, 2006.

Petition under 37 CFR 1.181

Applicant files the present petition and asserts that a timely reply to the Notice was filed on March 22, 2006. In support of this assertion, Applicant provides a copy of a the response, which includes a Certificate of Mailing dated March 22, 2006, and executed by Linda D'Elia. Applicant also includes a statement under 37 CFR 1.8(b)(3) from Ms. D'Elia wherein Ms. D'Elia states that on March 22, 2006, [she] deposited the attached Notice Regarding Drawings dated March 2, 2006 with Applicant's Transmittal Form and Fee Transmittal Form under Certificate of Mailing dated March 22, 2006...."

Applicable Law, Rules and MPEP

37 CFR 1.8(b), Certificate of mailing or transmission, The MPEP 711.03(c)A, Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action, explains that

(b) In the event that correspondence is considered timely filed by being mailed or transmitted in accordance with paragraph (a) of this section, but not received in the U.S. Patent and Trademark Office after a reasonable amount of time has elapsed from the time of mailing or transmitting of the correspondence, or after the application is held to be abandoned, or after the proceeding is dismissed, terminated, or decided with prejudice, the correspondence will be considered timely if the party who forwarded such correspondence:

(1) Informs the Office of the previous mailing or transmission of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence;

(2) Supplies an additional copy of the previously mailed or transmitted correspondence and certificate; and

(3) Includes a statement which attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing or transmission. If the correspondence was sent by facsimile transmission, a copy of the sending unit's report confirming transmission may be used to support this statement.

(c) The Office may require additional evidence to determine if the correspondence was timely filed. (Emphasis supplied).

37 CFR 1.8(b)

Analysis and conclusion

The statement by Ms. D'Elia fails to demonstrate that a timely response to the Notice was filed. The statement attests to the mailing of the Notice; Transmittal Form and Fee Transmittal Form only. And while the statement refers to "the attached Notice", and filed with the statement is a copy of the "Response to Notice regarding Drawings," the statement is at best ambiguous as to what was filed under Certificate of Mailing by Ms. D'Elia on March 22, 2006, and clearly fails to state that the drawing was filed on March 22, 2006..

The petition is dismissed without prejudice. Applicant should file a request for reconsideration of petition which includes the necessary statement.
